## Latest News From College Board SAT Scores

**A**s of May 2009, students will receive one less piece of mail from the College Board. Instead of receiving a paper score report, they will now receive all the SAT® scores online through My SAT Online Score Report, unless they actively choose to continue receiving paper score reports.

In addition to reducing the amount of paper used to print score reports, there are many benefits to using My SAT Online Score Report. It's available for free to every student who takes the SAT and is usually accessible several days before paper score reports arrive. This means that students can see their scores and get the meaning behind the numbers that much sooner.

My SAT Online Score Report also helps students to:

- Understand how the test is structured and scored, including the writing section and the essay

- See how they performed on each section of the test, including responses by question type and difficulty

- Compare their score to the scores of students in their school, state, and throughout the nation

- Search for colleges, majors and careers based on their scores

- Work on improving their scores through targeted practice and links to SAT Skills Insight™

- View a printable copy of their essay and see sample essays that received various scores

Students are encouraged to sign up for My SAT Online Score Report today. However, if any student still needs to receive a paper score report, you can go to "Update My Info" on the My SAT page to change his or her preference.

## Personal Belongings in Student Lockers

**T**he last day of school is Monday, June 8. Our custodial staff will begin to clean out lockers immediately after the last day of school. We will not be responsible for any personal belongings left in student lockers or PE lockers. Please encourage your students to clean out their lockers before June 8, 2009

Some private colleges will waive the application fees if they apply on site. There are morning (9 am) and afternoon (2 pm) internet sessions at each college. On Saturdays, only morning (9 am) sessions are held. Please contact the college for more information or look on the website.

## Retirees

Brookville High School has two ladies retiring this year. This year we will say good bye and wish a "happy retirement" to Ms. Debra Guthrie, Assistant Principal, and Mrs. Kathy Kaplan, Director of Guidance.

Ms. Guthrie has been employed with the Campbell County school system for 34 years. She began her career in 1975 as a math teacher in Rustburg. From 1989 to 1992 she was an assistant principal at William Campbell. In July 1992, she became an assistant principal with Brookville High School.

Mrs. Kaplan has been employed with the Campbell County school system for 39 years. She began her career in 1970 as a 4<sup>th</sup> grade teacher at Brookville Elementary School, which is now Heritage Elementary School. She came to Brookville High School in the fall of 1983.

Both of these ladies will be greatly missed by the faculty and staff at Brookville High School.

We all wish you both much happiness in your retirement years!

## From the Library

It has been a pleasure to work with the many seniors who have patronized the BHS library! Our best wishes to them as they move on to new opportunities and challenges. Special thanks to our senior library assistants, Rebecca Mad-Bondo and Oscar Hogberg. Many thanks to Rebecca for all of the books she has shelved this year and to Oscar for his help with the end of the year inventory. These two seniors have been dedicated and consistent workers who will truly be missed.

Even as this school year comes to an end, planning has begun for 2009-2010. The BHS library will once again participate in the Virginia Choice Book program. The nominated titles are highly acclaimed books which will make for great summer reading. Students can also gain a head start toward reading the number of books required to vote for Virginia's Choice Book in the spring of 2010. Titles include the following that may be found at your local public library or bookstore this summer:

Fortunes of Indigo Skye by Deb Caletti

Inside Out: Portrait of an Eating Disorder by Nadia Shivack

The Last Lecture by Randy Pausch

Quaking by Kathryn Erskine

Tamar by Mal Peet

Thirteen Reasons Why by Jay Asher

Trouble by Gary Schmidt

Tyrell by Coe Booth

Unwind by Neal Shusterman

Wildwood Dancing by Juliet Marillier

The BHS Book Club will also resume once the school year gets underway in the fall. Club members this year had fun with the used book sale and the community service project for The Summitt. Please plan to join us next fall if you love to read and enjoy sharing. The club will begin collecting used books as soon as school starts in the fall, so keep us in mind

when you clean off your book shelves this summer.

Special thanks to Phyllis and Jerome Coleman for their generosity in donating a portion of the proceeds of Phyllis' book, A Place Called Brookville, to the BHS library. For those who would still like to purchase a copy, it is available in the BHS library and the cost is \$30. It makes a wonderful gift for former graduates of Brookville. Please stop by during school hours if you would like to purchase one.

A hearty thank you also to everyone who registered their Kroger Rewards cards this year. BHS accumulated 81,000 points which will be redeemed for equipment for the school. We will be reminding you in the fall to register your card again. Many thanks to Kroger for providing this wonderful opportunity to give back to the school.

Hope the summer is great fun for everyone including students, parents, and teachers alike, with many opportunities to relax with a great book. Have fun and happy reading!!

## BHS Cafeteria News

Starting Monday (5/11) students will not be allowed to charge their lunch. We have a large number of accounts that are in the negative and this debt owed to the cafeteria must be paid before school is out. If you have a negative account, you will not be allowed to get the lunch of your choice...you will have to take a peanut butter and jelly and a cup of fruit with their milk. The charge system was set up for emergency purposes only and has been greatly abused this year. This comes from Central Office in Rustburg and must be taken care of as soon as possible. Students will not be allowed to buy extras until this is taken care of. Thank you very much.

Key:  Holidays/Breaks (Non-Paid/All Employees)         Staff Workdays (Non-Teaching Paid Days)

In the event of excessive school closings for inclement weather, the school board will make every effort to adjust the calendar by March 15. All or part of Spring Break, Memorial Day and/or additional days in June may be designated as snow make-up days to meet attendance requirements for Virginia Public Schools.
