Dear Students of Brookville High School,

Welcome to Brookville High School for the 2008-2009 school year! We are anticipating another great year, and with your help we will have one. I encourage you to take advantage of the many academic, social, and extra-curricular activities our school offers. The staff at Brookville High School is committed to providing quality instruction, a supportive learning environment, and many opportunities to get involved. In return we ask that you maintain good attendance, strive for good grades, show proper behavior, and demonstrate respect for others, as well as for school spirit.

This handbook has been prepared as a guide for the day-to-day activities of our school. Please share it with your parents and refer to it when there are questions about school policies and procedures. If there are questions unanswered by this handbook, please ask a teacher, counselor, or administrator. Our doors are always open to you.

I challenge each of you to set goals for yourself and to work hard to achieve those goals. I further challenge you to work together with your fellow students to make this the best year ever for Brookville High School.

Best wishes for a successful year!

Sincerely,

James R. Whorley
Principal

GENERAL INFORMATION

Computer Use

Computer network labs have been provided in order to enrich the education of all students at Brookville High School. The following procedures and regulations will apply to students wishing to use the lab:

1. Students may not use the network labs unless under the direct supervision of a faculty member.
2. Students are not allowed to install software or change any software already installed.
3. Students are to access only those programs the teacher instructs the student to access.
4. Students wishing to print out research information should limit the printing to only the specific information needed to document the research.
5. Students found using the computer inappropriately may be banned from any computer use in the building.
6. Students who intentionally cause damage to a computer will be charged the repair or replacement cost.
7. Students who wish to access the Internet must have on file Campbell County's Users Agreement for the Internet. This document gives parental permission for the student to use the Internet and list rules for student use of the Internet.
8. Students using school computers must log in using their locker number for the User Name and their locker combination for the password. ***Students should never share this information with others as each student will be responsible for how the computer is used when they are logged in to the network.***

Daily Announcements

Announcements will be made daily. All announcements must be on an announcement form and signed by a teacher before being turned in to the office.

Emergency/Evacuation Drills

Emergency/evacuation drills are held frequently throughout the year. Escape routes are posted in each class and students are asked to leave the school building in a quick and orderly fashion. Once students have reached their designated area, they are to remain quiet and orderly, answer roll call, and stay with their classroom teacher or designee. No one will re-enter the building until given a signal to do so. Any student who is not in the classroom when the alarm sounds should exit through the nearest door and report to a classroom teacher their name and class assignment. These drills are necessary in case of an emergency.

Fees

The fee structure for Brookville High School is arranged in three categories:

Mandatory Fees - those fees required of all students regardless of what class or classes they are taking. These fees are established by Campbell County Public Schools, and are county-wide. They are due at the time of registration, or on the first day the student attends school.

Required Fees - those fees required of students enrolled in the following classes:

- Computer Applications
- Computer Information Systems
- Photography
- Carpentry/Cabinet making
- Physical Education

Voluntary Fees - those fees which are not connected with the classes being taken, such as club dues, publications, class dues, senior and graduation fees, insurance.

Returned Check Policy

We gladly accept your payment by check. When you provide a check as payment, you authorize us to either use the information from the check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. You authorize us to collect a fee through an electronic fund transfer from your account if your payment is returned unpaid.

Field Trips

Students participating in field trips are required to have permission forms signed by parent or guardian.

Indebtedness Policy

When students are indebted to the school in any way - lost books, library fines, etc. - they are not to receive report cards for work done, or be registered for or return to classes in the fall until these obligations are met.

Lockers

Students are expected to keep their lockers clean, orderly, and locked. The school reserves the right to inspect lockers at any time. Lockers are not to be shared.

Messages and Deliveries

The office staff will notify students of messages via the intercom during class change and before or after school. We will not deliver messages to students during class as such deliveries create disruption. We cannot guarantee deliveries of messages or items except in an emergency. We will not accept delivery of food items (such as pizza) from local restaurants. We will not accept deliveries of food items for groups of students.

School Resource Officer

A School Resource Officer has been placed in the school in an effort to create and maintain a safe environment for our students. The SRO has three roles within the school: 1) as a law enforcement officer whose primary purpose is the “keep the peace” so students can learn; 2) as a counselor who provides guidance to students and acts as a link to support services both inside and outside the school; 3) as a teacher who shares his expertise in the classroom.

Student Drop Off/Pick-Up

Traffic at dismissal time is very congested. We ask for everyone’s cooperation to ensure the safety of our students. Please observe a 10-mph speed limit on school grounds. Campbell County school busses always have the right-of-way on school grounds.

Students who arrive at school in a private vehicle must be dropped off in the faculty parking lot drive through near the flagpole. Students should not be dropped off prior to 7:00 a.m. Students should be picked up in the faculty parking lot drive through. Drivers are asked to form a double line (one-way) and they are asked not to leave cars unattended in that area. Students should be picked up within 15 minutes of dismissal. Students who are waiting for rides must remain in the main lobby or on the sidewalk in front of school.

Student Portraits and Photography

Each student will have the opportunity to have his or her picture taken by a professional photographer contracted by the school. Students wishing to appear in the yearbook must have their pictures taken by the school's photographer. There is no charge for the yearbook picture, but students and parents will receive order forms enabling them to purchase additional copies of photographs. The school chooses photographers based on the quality and cost of the pictures they produce. Students are not allowed to distribute literature on school grounds advertising portrait packages produced by any photographer other than the one who receives the school contract. The sale of pictures is a fund raising activity for the school.

Telephone

Students may use the telephone in the main office only after obtaining permission from the office staff. Students will not be allowed to use the office phone during class time except in emergencies.

Wireless Communication Devices (Cell Phones, PDA, Pagers, etc.)

Please refer to the Parent Notifications document regarding wireless communication devices. This document was distributed to each student and parent and is located at www.campbell.k12.va.us under Parents and Students. The penalty for violating the wireless communication policy is as follows:

Inadvertent violation (i.e. phone rings by accident). First offense – One day ISS, device confiscated, parent must pick up. Second offense – One day OSS, device confiscated, parent must pick up. Third offense (or more) will be handled on an individual basis.

Deliberate violation (i.e. student is using the device to text message, make a call, etc.). First offense – One day OSS, device confiscated, parent must pick up. Second offense (or more) will be handled on an individual basis.

Visitors

All visitors must report to the main office immediately upon arrival at school. Visitors will be asked to wear a visitor's badge for the duration of their visit. Visitors will not be allowed to eat lunch with students. Visitors will not be allowed to meet with students unless they have permission from the principal or his designee. Visitors will not be allowed to "shadow" students during the school day. We will attempt to arrange tours of the school for prospective students and their parents.

ATTENDANCE POLICY

Attendance

Good attendance is essential for optimum academic performance. We ask for parental cooperation in this matter. Please consult the school calendar and arrange vacations, college visits, out-of-town visits, etc. when school is not in session.

Absences from School

A student who is absent from school is marked "unexcused" until parental contact has been made with the attendance clerk. Contact may be in the form of a written note or a telephone call. The contact must be made within two school days of the absence.

Excessive Absences

When a student has been absent for a total of twelve days (cumulative) for the school year, the school may require that a doctor's note or a court subpoena be presented in order for the absence to be excused. The principal (or designee) will notify the parent or guardian of any student who is considered to have "excessive" absences. A student who is deemed to have excessive absences will not be granted an excused, pre-arranged absence unless the principal decides that there are unusual circumstances.

Cutting Class

A student is considered to be cutting class if he or she is out of class without permission from the classroom teacher or the administration. If a student cuts class, the absence will be unexcused and make-up work will not be allowed. Additionally, a student who cuts class will face other disciplinary consequences.

Early Dismissals

Students shall not be permitted to leave school prior to dismissal at the request of or in the company of anyone other than a school employee or parent or guardian, unless express permission of the parent or guardian is first secured.

Students requesting an early dismissal must take a written request from their parents to the attendance clerk prior to 7:55 am. Early dismissals will be excused for medical appointments or court subpoenas. A student requesting an early dismissal for any other reason must follow the procedures listed for a pre-arranged absence. Students are not allowed to leave the school grounds after they arrive without permission from the principal or his designee.

Early Release

Students who are released early must leave the school grounds immediately. These students may not return to school until after 2:20. If a student returns to pick up another student at dismissal time, he/she must remain in their vehicle in the faculty parking lot drive-through. Exception: An "early release" student who is participating in an extra-curricular activity may return to school as early as 2:00 pm. These students must report immediately to a designated, supervised area and remain there until dismissal. Early release students requesting exceptions to this policy must secure permission from the principal or his designee.

Extra-Curricular Activities

Students who are present for fewer than four full periods on a given day will not be allowed to participate in extra-curricular activities on that day. This policy applies to excused and unexcused absences. Any exception to this policy must be approved by the principal or his designee.

Illness

Students who become ill during school must report to the school nurse. If the nurse determines that the student should go home, a parent or guardian will be contacted to pick up the student.

Make-up Policy

Students who have excused absences will have the same number of days to make up work as the number of days absent (i.e. 3 days absent – 3 days to complete make-up work). Absences of more than five consecutive days will be handled on an individual basis. Students are responsible for obtaining make-up assignments from their teachers.

Pre-Arranged Absences

Requests for pre-arranged absences must be submitted in writing at least two school days prior to the first day of the absence. A student's attendance record will be a primary consideration in determining whether a pre-arranged absence is excused or unexcused.

Student Injury

If a student is injured, he/she should report the injury immediately to a staff member. In case of extreme emergency, the rescue squad will be contacted, but only through the office.

Tardiness to School and Class

A student will be considered tardy to class if he or she is not seated before the tardy bell sounds.

All students late to school, including students late for roll in first period, must come to the office for a tardy slip. Tardies will be excused for personal illness, illness or death in the family, and pre-scheduled court appearances. Tardies due to dentist or doctor appointments will be excused only when a note from the professional is presented to the office. Excessive unexcused tardies will be handled through the school's regular disciplinary program. Please note: a student has two days to bring an excuse to school for the tardy.

Students who accumulate a **total of three unexcused tardies to school** or **three unexcused tardies to a class** will be assigned to In-School Suspension (ISS). Assignments to In-School Suspension will be made according to the following:

1. First set of three tardies - one day of ISS.
2. Second set of three tardies - two days of ISS.
3. Third and above sets of three tardies - suspension from school.

Student drivers who accumulate three or more tardies to school may have their driving privileges suspended in addition to in-school suspension. Students who are tardy thirty minutes or more from a class will be counted absent from that class.

RULES, REGULATIONS AND PROCEDURES

Rules and Regulations Concerning Pupil Conduct:

Please refer to the Campbell County Student Discipline Policy beginning on page A1 of the Appendix. In addition to the policies, rules and regulations listed there, please observe the following rules:

Students guilty of the following are subject to punitive measures (In School Suspension, Out-of-School Suspension, or Expulsion):

1. Failure to abide by the Honor Code - see page 19.
2. Failure to pick up trash in the cafeteria or designated eating areas.
3. Leaving class without permission.
4. Receiving unexcused tardies or being tardy excessively.
5. Skipping school or classes.
6. Sitting on floors inside the building.
7. Inappropriate displays of affection. (Defined as any action beyond holding hands.)
8. Use of electronic listening devices during the school day.
9. Other misconduct which the Principal determines may prejudice good order and discipline.

PROGRAM OF ALTERNATE DISCIPLINE PROJECT, ISS

The In School Suspension program provides for the retention of students within the school during the normal school day. Students assigned to ISS are closely supervised; they receive basic tutorial assistance, and are counseled in an effort to bring about a more positive attitude toward education. The objectives of the program are as follows: (a) to assist the student in academic achievement, (b) to help the student meet the goals of the educational system, (c) to remove the disruptive student from a classroom setting, thereby enabling the remaining students to realize greater benefits from the educational system, and (d) to modify behavior and bring about a more positive attitude towards education.

The operational procedures for the ISS Program follow:

1. Students will be assigned to the program only by the School Administration.
2. Assignments to the ISS Program will be made in accordance with procedures outlined in the Campbell County Discipline Flow Chart.
3. While in the program, students will work on appropriate class assignments submitted by the teacher for whom they are assigned as well as other assignments by other instructors.

4. Students use the restrooms and water fountains and go to lunch under the direct supervision of the teacher, and at times other than regular class changes and regular lunch periods.
5. Students assigned to ISS will not be idle.
6. **Students will be assigned to ISS on an all day basis; however, special cases might be handled on a part-time basis.**
7. Students assigned to ISS will be isolated from the rest of the school. Assignments to ISS are for punitive and corrective purposes.
8. Students assigned to ISS for more than one day are excluded from extra-curricular activities. This exclusion ends at the dismissal bell on the last day of the suspension.
9. Parents will be notified *by mail* when students are assigned to ISS.
10. Other students are not allowed in the ISS area.

The following is the list of rules and regulations that students must follow during their assignment in ISS. These rules and regulations will be strictly enforced. All students assigned to the ISS Program are expected to abide by these guidelines at all times.

1. Students may be assigned an extra day to ISS for any unexcused absence, unexcused tardiness to ISS or failure to complete assignments. Time missed due to excused tardiness or early dismissal must be made up.
2. Students must bring ALL books, papers, pens, pencils, calculators, etc. necessary to complete assignments.
3. Students will be seated as soon as they arrive.
4. Students will remain quiet and remain in their seats.
5. Students will not be allowed to sleep or waste time while in ISS.
6. Students will not be allowed to bring snacks, gum, or drinks into the ISS room.
7. Students will be cooperative at all times.
8. Students who receive a discipline referral from the ISS teacher may face Out of School Suspension.
9. Students who have been in ISS two (2) times for any reason or combination of reasons, he/she may be suspended from school.

10. Students who violate any of the above rules may be assigned additional days in ISS or out of school suspension. However, Out of School Suspension will not negate the In School Suspension assignment.

RULES REGARDING THE BUILDING

Students should not arrive at school before 7:30 a.m.

Students are to leave school grounds by 2:45 p.m. unless they are under the direct supervision of a member of the faculty or staff.

Auditorium

No food or drink is to be taken into the auditorium. Only persons authorized by the principal or designee shall work the lighting and sound systems.

Bulletin Board Use

Bulletin boards are located in the main halls, and in classrooms. Notices are placed on these from time to time for the convenience of the student body. Permission to use the bulletin boards must be obtained from the principal or a teacher.

Cafeteria

Students may not carry bookbags in the cafeteria serving lines. Students are expected to help keep the cafeteria clean by disposing of all trash properly. All food and drink are to be consumed in the cafeteria or outside in the designated lunch area.

Food and Drink

Food and drink shall not be taken into classrooms, the library, or any offices.

Gymnasium

The two gymnasiums are on the terrace level, along with the offices of all coaches. Street shoes should never be worn on the gym floors. Students are not to be in the gym area without permission.

Locker Rooms

Valuables are to be secured in locker room lockers. The school will not be responsible for stolen, lost or damaged items that were not secured in lockers.

Library

The library is open from 7:30 a.m. until 3:00 p.m. Special arrangements can be made for usage after these hours.

Student usage of the library office and phone is not allowed.

Book check-out is for three (3) weeks. If students are habitually late returning books, check-out privileges may be suspended. Overdue materials are treated as an indebtedness to the school and grades may be withheld.

Reference books or magazines can not be checked out.

Food and drink are not permitted in the library.

Students are required to have a pass to use the library at all times except before school, after school or during lunch.

Students are permitted to use audio visual materials with classroom teacher's permission; if removed from the library, the materials become the responsibility of the teacher.

Excessive noise will not be permitted and can result in suspension of library privileges; disciplinary action may be taken.

Students are encouraged to return magazines and reference books to their proper places; all other materials should be placed on the circulation desk after usage.

RULES REGARDING DRESS

Please refer to the Parent Notifications document. This document was distributed to each student and parent and is located at www.campbell.k12.va.us under Parents and Students.

Clarifications of the school board policy:

- Students must wear shoes at all times
- Hats, caps, or other head coverings are not to be worn in the building
- Sunglasses may not be worn in the building
- Abdomens must be completely covered
- Cleavage must be completely covered
- Shorts, skirts, and dresses must be of sufficient length to extend just beyond the wearers fingertips when the arms are extended completely downward
- Tank tops & tops that have spaghetti straps, etc., may not be worn.

Students who are inappropriately dressed will be required to change into appropriate clothing. Time missed from class to get/change clothes will be unexcused.

STUDENT PARKING

The following are regulations pertaining to student driving and parking:

1. Student parking on Brookville High School property is by permit only. Students must present a valid driver's license to obtain a permit. Students must sign an "acknowledgement concerning use of student parking lots" form before purchasing a permit. Parking permits must be displayed on the rear-view mirror with tag number visible from the front of the car. The cost of the parking permit is **\$15**.
2. The school administration advises that cars remain locked with the windows up. The school is not responsible for items stolen from cars.
3. The speed limit on the school grounds is 10 mph.
4. Sitting in parked cars is prohibited at all times. When the car is parked, all students must leave the vehicle.
5. Seniors are allowed to park in the lot located to the east end of the building next to Timberlake Road. Seniors parked in this lot must exit onto Timberlake Road from 2:20 to 2:45 p.m. This lot will be filled on a first come, first served basis. All overflow will park in the underclassmen lot.
6. All underclassmen will park in the student lot located west of the building next to the baseball field and Bee Drive.
7. Any student parking on school grounds without a parking permit will be subject to *disciplinary action*.
8. Any student who parks in the faculty and staff-designated lot will also be subject to *disciplinary action*.
9. Parking vehicles in an area other than a designated student parking space is prohibited and the vehicle is subject to towing.
10. Students who lose or misplace a parking permit will be issued another permit for a fee of **\$15**.
11. **Students may not return to their vehicles during the school day, unless they have secured permission from an administrator.**
12. Violation of any student parking regulations may result in loss of driving privileges; length of term is at the discretion of a school administrator or designee.

REGULATIONS PERTAINING TO MEETINGS AND ACTIVITIES OF CLASSES

1. The sponsor must be present at any official meeting of a class or club or any representative group of a class or a club in order for the plan to be official.
2. All decisions made by clubs or classes must be approved by the sponsor before they become official.
3. All major activities of clubs or classes must be approved by an administrator.
4. The eligibility to participate in class activities will be determined by the grade level of the student.

TEXTBOOKS

Students are expected to exercise reasonable care in the use of textbooks. Students will be charged for lost or damaged books. Lost books should be reported immediately to the assistant principal in charge of textbooks. Students may wish to keep a list of their book numbers to aid in searching for lost books. All books which are found should be returned to the office.

BROOKVILLE HIGH SCHOOL HONOR CODE

Brookville High School's honor code incorporates **its** core values of the pursuit of excellence, integrity, respect, responsibility, and honesty. **Brookville High School's** vision is to provide the best education and to empower students to become lifelong learners and productive members of society in the twenty-first century. In order to create the best environment which enables all students to become productive members in today's society, each student is responsible for conducting him or herself according to the honor code.

Cheating

To deceive by trickery or to violate rules deliberately (The American College Dictionary 245). Such acts include, but are not limited to:

- use of verbal (talking) and nonverbal (signs, gestures) cues during a test or quiz;

ADVANCED PLACEMENT PROGRAM

The Advanced Placement Program gives students the opportunity to pursue college level courses while still in high school. To receive college credit, students must take a 3-hour exam in May. College credit varies according to the score received on the exam.

AP classes offered are:

- AP American History
- AP European History
- AP Calculus AB
- AP Comparative Government and Politics
- AP English Literature and Composition

Other AP courses are offered online through Virtual VA

AP Exams are given *in May*.

HONORS PROGRAM

DUAL ENROLLED CLASSES

Dual Enrolled courses are offered through area colleges as follows:

English 12 (CVCC)

Teachers for Tomorrow (Lynchburg College)

Advanced Technical Drawing (parts 1 & 2) (CVCC)

Other dual enrolled classes are offered through the Campbell County Technical Center

GOVERNOR'S SCHOOL

The Central Virginia Governor's School for Science and Technology provides unique educational opportunities for students who have high ability and interests in science. Students take three classes at Governor's School and three classes at their home school.

Students may secure applications from their home school guidance counselors during second semester of their sophomore year. Recommendations from each high school in the school division are considered for the total number of the Governor's School students for a particular division.

STUDENT ASSISTANT

Seniors may choose to be a student assistant in lieu of one class. Seniors will be assigned to the main office, guidance office or to a teacher to be an assistant. Seniors in the student assistant program will receive a pass or fail mark for the class. The pass - fail mark is **not** computed in the student's grade point average; however, the student does receive a credit for the program.

CAMPBELL COUNTY TECHNICAL CENTER

The Campbell County Technical Center provides educational opportunities for students who have abilities and interests in these fields. Students take three classes at Brookville High, and then are enrolled in morning or afternoon classes at the Tech Center. Transportation is provided for these students.

For more information concerning Governor's School or Tech Center, see your counselor.

Brookville High School Fight Song

*For Brookville High I yell and yell and yell
And for the team I am so very proud!*

*And as for those who say we cannot win,
It goes to show how very, very wrong they are!*

*We're gonna fight, fight, fight for victory,
Until our name goes down in history!*

*We're gonna put those (oponent's team name) out
of sight,
Yes, tonight!*

Brookville High, FIGHT!

(sung to the tune of the Washington & Lee Swing)

ATHLETICS AND EXTRA-CURRICULAR PRIVILEGES

Privilege - Not a Right

It is a privilege, not a right, to participate on an interscholastic team. Therefore, this privilege can be revoked for improper conduct of a student at school or in the community.

ATHLETIC GUIDELINES

To the Athlete:

Brookville High School provides the opportunity for students to participate on a wide variety of interscholastic teams. The privilege of membership on those teams also brings corresponding responsibilities. As a team member, you represent your community, your school, your teammates and yourself.

Philosophy

Brookville High School's philosophy of athletics is to offer a wide variety of competitive sports so that every student has an opportunity to participate in athletic contests within the framework of the Virginia High School League. In offering this opportunity, we strive to instill in our youth both a competitive spirit and a spirit of good sportsmanship so that their participation in athletic contests bring honor to the athletes themselves, to their school, and to their community.

Hard work on the part of the athletes, coaches, staff, and community will be needed to maintain Brookville's great athletic tradition.

Athletic Guidelines

1. Participants must abide by all Virginia High School League, Campbell County School Board and Brookville High School policies.
2. In order for a student to participate in practice or a game, he/she must follow the school's attendance policy. In order for a student to participate in practice or a game, he/she must be present for at least 4 full periods unless excused by the Principal or his designee.
3. Proper dress and grooming is stressed. Each coach will instruct his squad on this point so they will reflect the best image possible.
4. Students should keep all valuables locked in lockers or give valuables to their coach for safe-keeping. Students are encouraged not to bring excessive cash or other valuables.
5. There must not be any unsportsmanlike conduct on the field of play, going to and from a contest, or in school.
6. All athletes are expected to be on time to school the day following participation in an event.

NOTE: Individual coaches of squads may have additional training rules that will be given to the players at the beginning of the season.

Administration of Violations

The coach may suspend violators from practice, from games, or from the team, or take any other appropriate action he deems necessary. However, a committee composed of the coach, athletic director and principal can be called on to determine the penalty or an appeal of the penalty. The principal retains final judgment in these matters on the school level.

To Try Out for a Team

1. You must have a fully completed VHSL Athletic Participation/Parental Consent/Physical Form for each new school year. This must be completed after May 1, 2008 to be valid for the 2008-2009 school year. All parts of the VHSL form must be completed and signed: page 1 by the student, page 3 by the doctor, and the last page by the parent or guardian. It is very important for the student and parent to carefully read the info on page 1. You must be a resident of the Brookville school district. All tuition and transfer students need to meet individually with Mr. Kidd to determine eligibility.
2. You must meet all requirements for eligibility listed in VHSL Handbook.

CLUBS, ORGANIZATIONS AND ACTIVITIES

Bible Club: The Bible Club is composed of students who are interested in Christian fellowship and are committed to serving others.

Future Business Leaders of America (FBLA): FBLA is the co-curricular vocational student organization sponsored by the Virginia Department of education and organized on the local, state, and national levels. The BHS Chapter is for all students enrolled in secondary school business education courses. The co-curricular activities fall into five major categories: service, education, promotion, social, and fund raising. FBLA provides an opportunity for students to develop certain essential skills as they prepare for business occupations. Members learn how to engage in individual and chapter activities; how to hold office and direct the affairs of the chapter; how to compete honorably with their colleagues on the local, regional, state, and national levels.

Future Farmers of America (F.F.A.): The Future Farmers of America is a national organization of young men and women who are dedicated to agriculture as a way of life, whether living in the rural areas or in the suburbs. Membership is limited to all students enrolled in the horticulture classes.

Key Club: The Key Club endeavors to promote good citizenship and qualified leadership. It sponsors service projects for the school and the community.

Latin Club: The purpose of the Latin Club is to help Latin students better understand the civilization of the ancient Romans and their influence upon our lives. Activities include skits, field trips, the annual Roman Banquet, JCL Convention, speakers, and service projects. Latin I students may join the Latin Club in the second semester of their first year of Latin. They become members of the Junior Classical League and may attend the State Convention. Membership is limited to those who are taking Latin or who have completed two years of Latin.

Marching Band: The marching band is open to any student in grade 8 through 12 who has prior musical experience. The purpose of this group is to develop and enhance both organizational and musical skills. The students perform at football games, community events, and compete with other bands in various competitions.

National Honor Society: The purpose of the National Honor Society is to create enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in students of the high schools of the nation.

For students who graduate in 2009, the following eligibility rules apply: the student must be a member of the junior or the senior class and have a 3.5 grade-point average. A student must have a minimum of a 3.5 grade point average at the end of the sophomore year to be inducted as a junior. A student must have a minimum of a 3.5 grade point average at the end of the junior year to be inducted as a senior. The student must be active in the extracurricular program of the school, having participated in at least two activities each year in grades 10 through 12. Each year, one activity may be a community or a church-related service. Candidates for membership must not have been guilty of any Honor Code violation. **A student's discipline file will be evaluated prior to admittance to NHS.**

For students who graduate in 2010 and beyond:

New guidelines have been created beginning with the class of 2010. To be eligible for membership in the National Honor Society, a student must have the following:

- *3.5 grade point average mid-semester of his/her junior year*
- *Two extra-curricular/service/sports activities in his/her sophomore and junior years.
(Note: one of these activities must be completed within the school. Activities completed outside the school must be service-oriented)*
- *An essay on character*
- *Minimum of eight hours community service with explanation of work completed.
(Note: the hours do not have to come from one project but may be cumulative from several projects.)*
- ***No Honor Code Violation***
- ***A student's discipline file will be evaluated prior to admittance to NHS.***

In order to retain membership, members must maintain the standards of character, service, leadership, and scholarship, which were the basis for their selection. Failure to do so will result in suspended membership and membership privileges.

The students who meet the specified requirements are then chosen by the Faculty Council, which is appointed by the principal. This selection is based upon character and leadership as well as scholarship and service. Membership is an honor bestowed by the faculty. It is not automatic because of grade-point average and students can not apply for membership. The local chapter is governed by the NHS national constitution, which specifies that the chapter must be involved in at least one service project per year and individual members must participate in at least one additional project. Meetings are held monthly.

An NHS member who transfers to Brookville High School and brings a letter from his former principal or chapter adviser shall be accepted automatically as a member at Brookville High School upon presentation of this letter to the advisers.

Members who resign or are dismissed for violation of any NHS policies are never again eligible for membership or its benefits.

Red Cross Club: The Red Cross Club is an organization of students who believe in service for others (country, community, and school) who practice the philosophy of health in mind and body to fit them for greater service and for better human relations throughout the world. Its purpose is to discover needs and provide services to lessen these needs, thereby developing good human relations. Membership is open to all interested students.

S.C.A.: The Student Cooperative Association is a service organization made up of the entire student body at Brookville High School. Each year students elect representatives for them at association meetings. The purpose of the SCA is to provide leadership and services for the students and to act as a liaison between students and administration.

Science Club: The purpose of the Science Club is to give the students an opportunity to further their interest in the scientific field. Members must be taking or have taken a science course.

Students Organized for Developing Attitudes (SODA): SODA is an opportunity for selected junior and senior students to promote positive self-esteem and discourage drug and alcohol use in 6th grade students. The high school students serve as role models and lead small group activities at Brookville Middle School, one period a week for eight weeks.

YOVASO: Youth of Virginia Speak Out (about Traffic Safety) is sponsored by the school resource officer with the help of the Brookville student body. Promoting safety awareness is our number one goal. YOVASO is open to anyone who would like to join.

THE GUIDANCE DEPARTMENT

The guidance office is located in the 300's corridor and is open to students throughout the school day. In this office, students will find resource materials, directories, and counselor personnel ready to assist them in self-understanding, as well as in setting and attaining personal, educational, and career goals.

In order to arrange a conference at a time which best suits his/her schedule, a student should make an appointment ahead of time. Should it become necessary to see a counselor without having made an appointment, the student should report to the classroom to which he is assigned and get permission to go to the guidance office. It is the student's responsibility to inform the classroom or study hall teacher of his whereabouts.

TRANSFERRING/WITHDRAWING FROM SCHOOL

Students considering transferring or withdrawing from school should contact their guidance counselor. Any indebtedness must be settled prior to withdrawal.

CLASS RANK

1. Rank in class is computed at the end of the summer session following the fourth and sixth semesters on the basis of all courses completed. Grade point values are listed in the Policies, Rules, Regulations and Procedures document located at www.campbell.k12.va.us under Parents and Students.
2. Exact class rank is determined at the end of the **second semester** of the senior year. The student with the highest class rank at the end of the first semester of the senior year will be designated valedictorian, and the student with the second highest class rank will be designated salutatorian. In order to be named to these two (2) honor positions, the students must meet the requirements of the Virginia High School League Transfer Rule. (28-6-1)
3. Junior Marshals will be the top academic students selected from the Junior Class; determined by their cumulative grade point average at the end of the sophomore year. The head marshal will be the student having the highest grade-point average in the Junior Class.

STATE DIPLOMA MINIMUM REQUIREMENTS:

UNITS OF CREDIT

The standard unit of credit for graduation shall be based on a minimum of 150 clock hours of instruction. When credit is awarded in less than whole units, the increment awarded must be no greater than the fractional part of the 150 hours of instruction provided.

ADVANCED EDUCATION TO OBTAIN A HIGH SCHOOL DIPLOMA

The following regulations apply for the issuance of high school diplomas to gifted and/or talented students who begin advanced education, whether academic or vocational, before being graduated from high school:

1. The student must be able to meet all requirements for high school graduation at the completion of his or her first year of advanced education.
2. Prior to the student's enrollment in advanced education, the principal of the secondary school must designate, in writing, the names of required courses and the number of elective courses yet to be completed to make the required number of units. One signed copy of this designation shall be given to the student; a second copy must be sent to the institution of advanced education in which the student will enroll, and a third copy must be placed in the student's file at the high school.
3. Required and elective courses taken in advanced education must be two semester courses equaling one credit in English for a year's study of English and must be comparable to those required for graduation from an accredited secondary school in terms of: (a) course objectives (b) subject matter content (c) mastery of skills and knowledge, and shall be certified, in writing, to the principal of the accredited secondary school by an official of the institution. The weight of a course must be determined and agreed to by the school principal prior to enrollment.
4. At the satisfactory completion of the courses required under number 3 of the preceding, the student shall request that the institution of advanced education send an official transcript to the principal of the appropriate secondary school.
5. When all requirements for the high school diploma have been met, the principal of the accredited secondary school shall approve the issuance of the diploma. The individual will be recorded in the school's records of graduates for the current term in which the credits are accepted by the high school.
6. Within the procedures of numbers 3, 4, and 5 of the preceding, an individual may earn a maximum of two credits towards graduation.

DIPLOMAS

The principal of Brookville High School is authorized to award diplomas to candidates for graduation when all requirements for graduation as set by the State Board of Education and the Campbell County School Board have been satisfactorily met. (See Graduation Requirements.) Only those individuals who have been officially graduated from Brookville High School shall be awarded a diploma.

A senior who fails to graduate with his class may earn the necessary additional credits required for his graduation from an accredited summer school and receive his diploma from Brookville High School upon presenting transcript of his official credits.

For graduation exercises, boys will wear maroon caps and gowns; girls will wear white caps and gowns. Honor students will wear a gold stole and tassel. **Students must have a cumulative GPA of 3.5 to be an Honor Student.** Central Virginia Governor's School students who complete the program will wear a teal cord. These are the official colors.

GRADE PLACEMENT

If a student enters school on a specific grade level, he will remain on that grade level for the entire year unless the principal recommends otherwise.

EXAMINATIONS

Examinations will be given in all classes at the end of second semester. Seniors may be exempt from taking second semester examinations if an A average has been maintained for the fourth, fifth and sixth grading periods and an A for first semester.

A student may choose to be exempt from a second-semester exam for a course in which he or she has taken and passed the SOL test(s) for that course.

If the SOL test(s) results are not received by the school prior to the administration of exams, exams for which a student has taken the SOL test(s) will be optional.

REPORT CARDS

Report cards will be issued within five (5) days of the end of each six weeks.

APPLYING TO A COLLEGE

Students who wish to go to college should look at the college's website. Most college bulletins and applications are available on line. Upon receipt of the application, the questions concerning personal qualifications must be completed. The application and release form should then be brought to the senior's counselor to be completed and mailed. Students should bring the application and release form in early enough to allow a two-week mailing period. **The first transcript is sent free of charge. A fee of \$2 will be charged for each additional one.**

COLLEGE ENTRANCE EXAMS

Most colleges require some form of testing to determine your readiness for college-level work. They will require the SAT I or the ACT, not both.

It is your responsibility to find out what tests are required by the colleges on your list. This information is available from the colleges, their websites or guidebooks in the Guidance Department. Registration booklets and study guides are available in the career center and guidance office.

School Code for Brookville High School: 471-285

- Scored on a scale of 0 (low) to 36 (high)
- Administered in October, December, February, April, and June
- Registration online at www.act.org and by mail to ACT Program; admission ticket mailed directly to student
- The Writing Test is optional.

TEST OF ENGLISH AS A FOREIGN LANGUAGE (TOEFL)

- Designed for students for whom English is not a native language and whose scores on the SAT I verbal would be affected by the language difference
- Colleges have the option to substitute a TOEFL score for the SAT I verbal score
- Registration directly by mail to Educational Testing Service; a voucher good for one year is mailed to the student
- Minimum acceptable scores established by individual colleges

WEB SITES TO KNOW

There are two web sites worth knowing well. The official NCAA Web site: www.ncaa.org, which describes the organization itself, includes topical articles, statistics on NCAA teams, and an easy search, by sport and division, with links to college information.

But the site you will use the most is that of the NCAA Clearinghouse: www.ncaaclearinghouse.net. The clearinghouse is an organization affiliated with the NCAA that evaluates students' academic records to determine if they are eligible to play in Division I or Division II colleges. The web site houses the 36-page "College-Bound Student-Athlete Guide" (a PDF version may be printed from the web site, or paper copies may be ordered for a modest fee). It is a good idea to print out this PDF *annually*, as NCAA regulations do change. The guide includes the following:

- description of academic eligibility requirements;
- coverage of core courses, GPA, tests, and special conditions (such as requirements for students with disabilities, or admissions process for home schooled students);
- complete instructions on how students register with the clearinghouse;
- worksheets for keeping track of courses and grades;
- information for parents and guardians;
- questions students should ask during the college search process;
- information for high school counselors;

- a summary of recruiting regulations
- a glossary.

Also at www.naaclearinghouse.net are these features:

- NCAA academic eligibility requirements;
- recruiting guidelines by sport;
- Database of Approved Core Courses

See your counselor or coach for additional information.

AWARDS

Brookville High School rewards academic achievement in the following ways:

ACADEMIC AWARDS BANQUET - Juniors and seniors with a cumulative grade point average of 3.50 or above, at the end of the previous year, will be invited to attend the Academic Awards Banquet.

ACADEMIC LETTER - an academic letter will be awarded to all students in grades 10 -12 who have obtained a grade point average of 3.75 or better for the previous year. Those students who have qualified more than once will receive a bar to be placed on their academic letter.

HONOR ROLL - Students who make A's and B's on all course work are named to the honor roll for each six weeks.

SENIOR AWARDS ASSEMBLY

This event is scheduled for May or June of every school year and recognizes the scholarship, citizenship and leadership of selected seniors. It is an official commencement activity and the following awards are presented:

BHS Award of Excellence This award is to be given to one male and/or female only if there are qualified candidates. The student must be an honor graduate. He must have participated and/or placed for two district honors or one state honor (individual or group). These honors may be Virginia High School League activities or a club curriculum competition at the district or state level. The student must be of excellent character and citizenship and succeed in all areas of responsibility.

BHS Award of Improvement The recipient of this award must have shown definite improvement in the academic program. He/she must also have shown improvement as a citizen and in the extra-curricular program. When nominating a student for this award, the faculty member will present grade as well as an activity sheet from permanent records.

BHS Service Award This award is to be given to a student who renders services to the school which are above those which are normally required. He must be a responsible citizen of good character.

BHS Best All-Around Male This student must have average or better grades (C or above.) He must have participated in athletic programs as well as extra-curricular activities. His conduct must be honorable, and he must be a cooperative person, with both faculty and students. He must be known as a good citizen in both the school and the community.

BHS Best All-Around Female Criteria same as preceding.

Brookville High School Faculty Award The recipient of this award must have maintained a high level of academic achievement throughout his high school career. He must have served as a good citizen in the school and the community. He must have accomplished much in the extra-curricular program of the school, and he must have contributed more than what is normally required.

Brookville High School Faculty Citizenship Award To be given to one boy and one girl who maintain good conduct. Students receiving this award must have displayed obedience to school rules and regulations. They must have set a good example for their fellow students during their high school years, and have average or better grades.

Certificates of Perfect Attendance All seniors maintaining perfect attendance through high school will receive awards at the Senior Awards Assembly.

James River Chapter of the Daughters of the American Revolution Good Citizenship Award

Outstanding senior female or male who rates high in dependability, service, leadership, and patriotism. Faculty members may present nominations for this award to the chairman of the Nominating Screening Committee in the fall.

Paul Brewer Scholar/Athlete Award The recipient of this award must have maintained a 3.0 grade point average, lettered in a varsity sport or cheerleading, and be a member of the senior class.
